

## Residential Garbage and Recycling Program Information

*Welcome to Waste Management of Tipp City's residential garbage and recycling collection program. Tipp City signed a contract with Waste Management for city-wide residential refuse collection. The contract began October 1, 2006 and will run until September 30, 2010.*

Tipp City and Waste Management have designed a package that will work for all residential households. There are three program options you may choose from for refuse and recycling pick-up based on your individual household needs:

- The first program is regular refuse collection, where the customer utilizes his/her own bags/cans along with the provided recycle bin for curbside (or alley) pick-up (see Regular Residential Rate).
- The second program includes a 90-gallon toter that Waste Management provides along with a recycle bin (see Toter Rate).
- A third program has been created for the lower volume users and is thus called the Low Volume option. A 35-gallon toter will be provided for weekly pick-up along with a recycle bin (see Low Volume Rate). Refuse collection occurs weekly. To ensure your pick-up is not missed, please set out all refuse and recycling the night before your collection day.

## Holiday Schedule

Waste Management will not perform collection service on the following holidays:

- Thanksgiving Day
- Christmas Day
- New Year's Day
- Memorial Day
- Independence Day
- Labor Day

During the weeks these holidays occur, collection normally performed on or directly following the holiday will be delayed one day. Regular collection will occur on all other holidays not listed.

**Please note dates for Tipp City's Christmas tree pick-up:**

*January 4 and January 11, 2010*

For large item pick-up, please call Waste Management in advance at 866-695-3433.

If an item is not accepted by Waste Management, please contact the Miami County Transfer Station at 937-440-3488.

## Important Numbers to Remember

For all service calls, large item pick-up, missed pick-ups and/or to request a new recycle bin, please contact Waste Management at 866-695-3433. This is a new number for Tipp City residents only and directs you to the local Waste Management Dayton area office.

For all billing questions, or to request a toter or low volume service, please call Tipp City Utilities at 937-667-8424.

## Residential Monthly Rates

The following are the residential monthly rates for the period of 10/1/2009 to 9/30/2010:

<b>Regular Residential Rate</b> (includes a recycle bin)	<b>\$17.98</b>
<b>Toter Rate</b> (includes 90-gallon toter and recycle bin)	<b>\$20.98</b> <i>Additional toters are \$3.00 each</i>
<b>Low Volume Rate</b>	<b>\$11.70</b>

## Low Volume Program

The low volume program has been created for households that generate a small amount of trash. Tipton City's Low Volume Program customers will receive a special 35-gallon toter for their weekly refuse collection. All weekly refuse must be placed in this toter. If the need arises to place additional refuse out for collection, special gray Waste Management low volume bags must be used. These special low volume bags may be purchased at the Government Center for \$2.16 per bag.

## Dumpsters

Effective October 1, 2006, Tipton City assumed billing for residential dumpsters. The following are the new monthly dumpster rates for the period of 10/1/2009 to 9/30/2010:

1 Yard	2 Yard	3 Yard	4 Yard	6 Yard	8 Yard
\$21.25	\$31.60	\$41.00	\$56.00	\$86.00	\$111.00

## Waste Management's Yard Waste Pick-up

By Ohio law, source-separated yard waste may not be landfilled. As a result, Waste Management and Tipton City have created a yard waste program where lawn bags are purchased at the Government Center or Food Town for \$1.75 each.

All lawn waste should be placed in these bags and then set out for pick-up on Mondays, from April through November. For yard waste pick-up December to March, please set the bags out on your regular refuse pick-up day of the week. If the yard waste does not fit in a bag but is no more than 2 feet in diameter and 4 feet long, it can be placed for pick-up with a lawn bag attached to the bundle. All yard waste is composted by Waste Management and is not deposited in landfills, in accordance with state law. If you have further questions regarding yard waste pick-up, please call Waste Management at 866-695-3433.

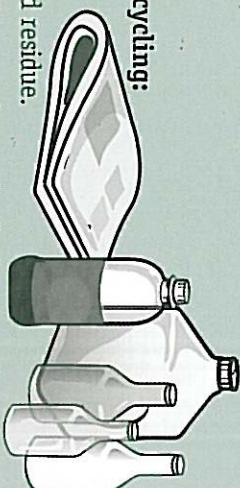

## What Goes In Your Green Recycling Bin

Use the green bin for all recyclables. Items that can be recycled using this bin include:

Paper	Metal	Plastic
<ul style="list-style-type: none"> <li>• Brown paper bags</li> <li>• Catalogs</li> <li>• Chipboard (cereal boxes, shoe boxes, etc.)</li> <li>• Corrugated cardboard</li> <li>• Juice boxes</li> <li>• Junk mail</li> <li>• Magazines</li> <li>• Newspaper</li> <li>• Telephone books</li> </ul>	<ul style="list-style-type: none"> <li>• Aerosol spray cans</li> <li>• Aluminum cans</li> <li>• Aluminum foil and pie pans</li> <li>• Tin and steel cans</li> </ul>	<ul style="list-style-type: none"> <li>• Plastic bottles and jugs</li> <li>• Plastic liter bottles</li> <li>• Plastic salad dressing bottles</li> <li>• Plastic laundry/cleaning product containers</li> </ul>
<ul style="list-style-type: none"> <li>• Glass</li> <li>• Green, brown, clear, and blue beverage and food containers</li> </ul>	<ul style="list-style-type: none"> <li>• All plastic containers with symbols through</li> </ul>	

### To prepare materials for recycling:

Plastic, Glass and Metal:  
Remove and discard lids in the trash; rinse to remove food residue.

Paper/cardboard: Place papers in paper bag or in the bottom of your recycling container to prevent papers from blowing out. Please make sure when disposing of junk mail or any information containing your address or personal information, that you black out the information or shred it. Shredded material MUST be placed in a paper bag and the top folded to prevent blowing material during collection. Do not use plastic bags to contain your material in your recycling bin. Materials contained in plastic bags contaminate the recycling process.

If you still are not sure an item goes in this container, place it in your regular refuse or call the Waste Management Customer Service Center at 1-866-263-6445.

## Additional Recycling Opportunities

For information about how to recycle additional household products go to <http://www.wm.com/wm/services/recycling.asp> or <https://www.thinkgreenfromhome.com/ThinkGreenFromHome.cfm> and learn more. Also you can go to a new website sponsored by Waste Management called Greenopolis at <http://greenopolis.com>. This new website provides a variety of environmental information and educational materials for home and business.
